- Jeff Grigg started radiation last week. He will have radiation five days a week. Due to the infection, he did not start chemotherapy last week. When he does, he will have chemotherapy on Wednesdays. This will last for at least six weeks, maybe more. Please keep both Jeff & Karen in your prayers.
- Libby Taylor (Susan Smith's mom) is feeling better. She will have procedures on other health issues soon. Prayers for her, treatment staff, Pastor Fred and Susan.
- Ava West (4) is battling leukemia. Pray for her treatment, staff, and for healing. Also, pray as she continues to adjust to the chemo meds given at home.
