Annie Armstrong Easter Offering 2025

Church Goal: \$1700

Currently: \$1605

- Our homebound friends: Doug and Joan Archambault, Bob Metcalf, Helen Mieir, Ernestine Newton, Ruby Parham, Jane Rice, Margaret Burwell, and Rosa Wheeler
- Kriste Causey has been steadily working on her strength and endurance. Her echocardiogram shows no damage other than small leaky valves, which is a common issue. She is back on antibiotics for her chest as a precaution. Her numbers last week looked great. Just keep prayers coming for continued healing.
- Ava West (5)- Ava is taking several new medications that are affecting her immune system, which means no visitors, or outings, etc. She will continue PT, and this will limit her to only aquatic therapy. Ava has been experiencing severe neuropathy in her legs and feet since the beginning of treatment. Her hands are also being affected, and she now struggles with small tasks such as opening a drink, snacks, squeezing, etc. Ava was seen last week at Duke for a stomach bug, she had to get fluids to keep her from getting too dehydrated.

If you would like to donate to the purchase of new pew cushions, please mark your donation envelope under **Other: Pew Cushions** We have raised **\$2870 so far** so the new balance to be raised is \$930. No amount given is too big or too small.
