Church Goal: \$1700

Currently: \$2230

- Our homebound friends: Doug and Joan Archambault, Bob Metcalf, Helen Mieir, Ernestine Newton, Ruby Parham, Jane Rice, Margaret Burwell, and Rosa Wheeler
- Kriste Causey is continuing to work on her strength and endurance by walking as much as she can. She has a Dr. appt. in a month, and we are asking for prayers for great numbers and for her to be able to come back to church. Please continue with healing prayers.
- Ava West (5)- Ava is taking several new medications that are affecting her immune system, which means no visitors, or outings, etc. She will continue PT, and this will limit her to only aquatic therapy. Ava has been experiencing severe neuropathy in her legs and feet since the beginning of treatment. Her hands are also being affected, and she now struggles with small tasks such as opening a drink, snacks, squeezing, etc. Ava was seen last week at Duke for a stomach bug, she had to get fluids to keep her from getting too dehydrated.

If you would like to donate to the purchase of new pew cushions, please mark your donation envelope under **Other: Pew Cushions**. We have raised **\$3085 so far** so the new balance to be raised is \$715. No amount given is too big or too small.
